

## Get paid online, anytime with PayNOW Technology

Improving order-to-cash and reducing costs are easy when it's convenient for your customers to pay online. Don't spend valuable time processing paper checks. Online, 24/7 self-serve payment convenience reduces costs and risks while increasing customer value and satisfaction.

Reduces risk and cost by replacing paper checks

Increases client satisfaction with convenient, easy-to-use self-service tools

Improves DSO by eliminating mail time and manual processing

Provides E2E A/R transparency, real-time tracking and streamlined reporting

**In just days our customers had already made dozens of payments online and we saw real savings immediately.**

Devin Watts, CFO, M&A Supply Company
